2. Lesson Schedule. You are guaranteed to receive 42 lessons per year or 11 lessons in each of fall, winter, and spring quarters, and 9 in summer quarter. Private individual lessons are conducted on a weekly basis, for either 30 minutes or 45 minutes depending on the assessed level and development of the Student. The length of the lesson remains the same, regardless of tardy arrival by Student. Instructors are not obligated to wait longer than 15 minutes for late students. Each student is designated a specific, ongoing weekly day and time for lessons which has been reserved exclusively for Student, which generally precludes Studio from accepting other teaching or performing opportunities during that time. Therefore, Students are expected to attend all scheduled lessons, unless otherwise arranged with the Studio.
